

IOSH Safety for Executives and Directors

Astutis.

Learning Method: Online 

Introduction

The IOSH Safety for Executives and Directors Online course provides CEOs and Directors with a complete understanding of health and safety responsibilities and the moral, legal and financial benefits of proactive safety, health and risk management.

Who is the course for?

The course is designed for those in senior executive or director roles looking to sharpen their health safety philosophies. The course will provide eager-to-learn individuals with the essential protocols and knowledge required to lead and influence any organisation.

Benefits for Learners

- ▶ Understand your responsibilities for health and safety in the workplace.
- ▶ Recognise the importance of integrating health and safety objectives and strategies.
- ▶ Enable the benchmarking of your performance and identify good practice from similar businesses.
- ▶ Shape your health and safety vision and identify how to achieve it.

Benefits for Employers

- ▶ Have confidence knowing your most superior employees have a comprehensive understanding of managing safely.
- ▶ Drive improvements in productivity, increase profitability and deliver cultural change.
- ▶ Enhance your brand reputation with a higher standard of health and safety.

Course Key Facts

Duration: 4 hours recommended learning time, 2 hours optional self-study

Course Content

The course is structured around five key modules:

- ▶ **1.** The moral, legal and financial case
- ▶ **2. Plan** – planning for health and safety
- ▶ **3. Do** – implementing health and safety
- ▶ **4. Check** – monitoring health and safety performance
- ▶ **5. Act** – improving health and safety performance

Assessment

It involves a personal commitment (action plan) relating to the learning on the course. Identify three actions that you commit to taking in your workplace appropriate to your level of responsibility.

On successful completion of the action plan, you will receive an official IOSH digital certificate.

Benefits of Online Learning

- ▶ Learners are gifted with complete control over their studies, choosing where and when to learn as they desire.
- ▶ With online training, organisations can have complete oversight over the staff's progress with insightful reports analysing their workforce's efforts.
- ▶ Incredible cost-effectiveness when compared to alternative learning methods, especially classroom learning.
- ▶ Engaging, proactive activities heighten learner retention.
- ▶ Astutis Learning Checks strategically located throughout the course ensure learners can only move on when ready.
- ▶ Those who work from home can play an active role in the training unlike before.

Features of an Online Course

- ▶ **Learning checks** – built into the course to check your knowledge
- ▶ **Mind map activities** – helps to summarise the main points visually and acts to aid your memory.
- ▶ **Listing activities** - easy to digest information through key points.
- ▶ **Categorising activities** – making it easier for you to recall ideas or process information.
- ▶ **Activity positioning** – Activities are spread throughout the course helping you to embed your learning before moving on to the next section.
