

# NEBOSH HSE Certificate in Health and Safety Leadership Excellence

# Astutis.

The **NEBOSH HSE Certificate in Health and Safety Leadership Excellence** provides core principles behind successful leadership traits positively influencing workplace health and safety. It is becoming more essential to ensure the highest standards in leadership as health and safety regulations continue to test global modern workplaces.

## Who is the course for?

The course has been designed to benefit those looking to occupy a leadership position and those already in a leadership position. The qualification is ideal for companies looking to upskill their managerial personnel. The course promotes critical leadership qualities that influence attitudes towards health and safety.

## Benefits for Learners

- ▶ After studying this course, **employees seeking to transition into managerial or supervisory roles** can do with confidence;
- ▶ Similarly, those **already in leadership roles** could cement and embed the essential characteristics required to lead effectively;
- ▶ Earn the respect of your co-workers by improving your skills and output.

## Benefits for Employers

- ▶ The NEBOSH HSE Certificate in Health and Safety Leadership Excellence is recognised globally and will enhance the reputation of any business that heralds the qualification;
- ▶ The course enables employees in managerial positions to set higher standards and promote a progressive attitude towards health and safety;

## Course Key Facts

**Duration:** One day

**Entry Requirements:** There are no entry requirements.

**Elements:** Course is split into three elements.

1. The Foundations of Health and Safety Leadership
2. Human Failures and Decision Making
3. Leadership

**Assessment:** Learners will need to complete reflective statements throughout the course.

- ▶ The course covers critical areas such as the **HSE 'Make it Happen'** model and how to minimise human failures whilst building meaningful relationships with your workforce.

## Benefits of In-Company Training

- ▶ Savings on travel and accommodation;
- ▶ More cost-efficient than sending individuals on courses and a cheaper delegate cost (when training 4+ delegates);
- ▶ No minimum number of delegates required;
- ▶ The support of a qualified Astutis Consultant at every step of the way;
- ▶ More relevant - discussions and examples relate to the challenges and situations experienced by the group;
- ▶ You choose the dates, timescales and delivery pattern!
